

“Student voice is positive, genuine, outward-thinking, proactive, knowledgeable, and solution oriented. Student voice is focused on taking action for the good of the whole.”

Dr. Russ Quaglia

Quaglia Institute for School Voice and Aspirations

DESIGNING THE FUTURE

An authentic learning experience with opportunities for community engagement, service-learning, and career exploration

Partnerships for Authentic Learning and Leadership is excited to introduce *Designing the Future*, an inspiring authentic curriculum for middle level learners that empowers every student to **discover their strengths and talents, explore career possibilities, and take purposeful action to change the world!**
